**9<sup>th</sup> September 2018 – 23<sup>rd</sup> Sunday in Ordinary Time**

*It is not simply a question of  
eliminating hunger and reducing poverty.*

*It is not enough to combat destitution,  
urgent and necessary as this is.*

*The point at issue is the establishment of a human society  
in which everyone, regardless of race, religion,  
or nationality, can live a truly human life free  
from bondage imposed by men and the forces  
of nature not sufficiently mastered,  
a society in which freedom is not an empty word,  
and where Lazarus the poor man can sit  
at the same table as the rich man.*

*Pope Paul VI, Populorum Progressio, 1967: n.47*
