## Sharing the Best We Have

Mother Teresa was once brought to court on the charge that she was converting children in her care to the Catholic faith. When the evidence was presented, she was called to the stand to plead guilty or not guilty. Turning to one of her Sisters, who sat in the courtroom cradling a tiny child, Mother Teresa asked her to give her the infant. Then, turning to the Judge, she said: 'Your Honour, I picked this little baby from the garbage bin. I don't know the religion of the family into which this innocent child was born. Nor do I know the language that his parents speak. All that I do is give this child my love, my time, my care, my food, and the best thing that I have in my life - my faith in Christ Jesus. Can't I give this child the best that I have in life?' The case against her was dismissed.

*Mission is about sharing the best thing we have with those in need.*
