17th March 2019 – St. Patrick's Day

Extract from St. Patrick's Breastplate

For my shield this day I call/Heaven's Might
Sun's brightness/Moon's whiteness
Fire's glory/Lightning's swiftness
Wind's wildness/Ocean's depth
Earth's solidity/Rock's immobility

Commentators note that the prayer does not simply call on nature to 'bless the Lord'. It calls on all the elements to bless and protect human beings, as if there were something holy and powerful already present in the world of nature.
