## Priorities

An elderly man in Cavan rings his son in New York and says, 'I hate to ruin your day, son, but your mother and I are getting a divorce'. 'What are you talking about, Dad,' says the son, 'You must be almost 40 years married. You can't get divorced'. 'We can't stand the sight of each other any longer,' the old man says. 'You can only put up with so much misery. Ring your sister in Hong Kong and tell her.' Frantic, the son calls his sister, who explodes on the phone. 'Like hell they're getting divorced,' she says, 'I'll take care of this.' She calls home immediately and says, 'Now don't be stupid, Dad. This can all be worked out. I'm calling my brother back and we'll both be there tomorrow. Until then, don't do a thing. DO YOU HEAR??' and she hangs up. Her father puts down the phone and turns to his wife with a smile. 'Okay,' he says, 'It's all set. They're both coming for our 40th wedding anniversary and they're both paying their own airfare!'
